THE PUBLIC SERVICE COMMISSION OF

DOCKET NO.90-373-C - ORDER NO. 90-977
OCTOBER 4, 1990

IN RE: Application of Coast International,) ORDER GRANTING
Inc. for a Certificate of Public) REQUEST TO WITHDRAW
Convenience and Necessity.) INTERVENTION

On May 5, 1990, Coast International, Inc. (the Applicant) filed an application with the Public Service Commission of South Carolina (the Commission) seeking a certificate of Public Convenience and Necessity to engage in the business of reselling telecommunications services within the State of South Carolina.

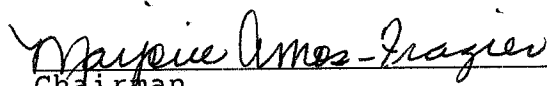

The matter was duly noticed and a Petition to Intervene was filed on behalf of Southern Bell Telephone and Telegraph Company (Southern Bell). Subsequently, Southern Bell filed a letter with the Commission informing the Commission that Southern Bell's concerns regarding the Applicant's carriage of intralata calls had been satisfied based on an attached letter on behalf of the applicant reflecting that Coast International, Inc.'s service offerings are interlata only. Based upon the Applicant's representation in that regard, Southern Bell requested to withdraw its Petition to Intervene in this matter.

The Commission has considered the request of Southern Bell and finds that it is in the public interest that Southern Bell be allowed to withdraw its intervention in this matter. The hearing that has been previously scheduled by the Commission will take place as planned.

IT IS SO ORDERED

That this Order shall remain in full force and effect until further Order of the Commission.
